

Erasmus StartUp

Company: **KoPlac**

Duration: **Flexible**

Commitment: **Full-time**

Country: **Czech Republic**

Compensation: **No financial compensation**

City: **Brno**

Do you want to run your own business? Do you have any idea what would you like to work on? Take advantage of the Erasmus Plus programme's funding and use it to start working on your company! We will work at KoPlac similarly to an incubator, help you shape your idea, further develop it and find other team members from countries all over Europe who are interested in cooperating with you to realise it.

Through us, you will not only realise your internship while at the same time working on the idea you value, but you will also have access to KoPlac's resources, co-working space and the team of business experts as well as their international network of colleagues. Needless to say that all our experts are eager to share their knowledge and experience with all our interns!

Our main goal in this placement is to offer young creative individuals and beginning businessmen the needed background that will propel them towards making their own company.

How to apply:

- Fulfil **on-line application** <http://bit.ly/2vc0ZB3> and send your CV to erasmus@koplac.cz.
- Next **record a short video about yourself** (brief presentation, your hobbies, why you want to come here, and interesting things about you) max. 2 minutes. Add **the link** with video to the on-line application. You can use: <http://www.edisk.cz/en> to share a video use Dropbox or Youtube . You can make a video with a phone or computer.
