

Dear students!

We are a Finnish company called **Katrium OÜ** and we offer extensive internship opportunities suitable especially for students of the International Business field.

Katrium is focused on international outsourcing, market research and consulting services. The company's office is located in Tallinn, Estonia, but as Katrium is an international company the main language of communication is English.

Your tasks will be the following:

- ✓ Market research tasks: project management, data collection, HR, etc.
- ✓ Versatile marketing tasks: creating marketing materials, updating our Social Media platforms, etc.
- ✓ Conducting diverse registers and databases
- ✓ Customer Service
- ✓ Translations

During your internship you will gain valuable experience in the consulting industry, learn how to work with clients and receive extended practical knowledge of market research.

Furthermore, Katrium offers:

- ✓ A pleasant working environment and a youthful team of highly motivated and friendly employees
- ✓ A local phone subscription + free public transport
- ✓ Help in finding accommodation

You can apply for autumn/winter 2018-2019 now. Send your CV and application to: **viktorija@katrium.eu**

We are eagerly waiting for you to join our international team!
