INTERNSHIPS IN VALENCIA

Learn New Skills ● Discover Spain ● Improve Your Spanish

Home of Paella, El Cid and some of the most beautiful architecture in the Mediterranean, Valencia is a glittering jewel by the sea! Mixing ancient history with modern sensibilities, golden beaches with shaded streets, Valencia is a city like no other. With a vibrant night life, one of the best climates in Europe and a rich cultural tradition it's no wonder that it is one of the most visited cities in Spain! As well as its beauty, Valencia is also a prosperous home for business, combining busy port trade and manufacturing with well-established service and tourism industry. If you want sun, sea and great opportunities, Valencia is the place for you!

LANGUAGE REQUIREMENTS

Fluent Spanish is not a requirement. Did that put your mind at rest? Good, as many host companies will accept candidates with varying levels of Spanish. International companies often require interns who can assist them in English language tasks as well.

SPANISH COURSE DESCRIPTION

20 hours per week. Monday to Friday. General Spanish, professional vocabulary to assist with your internship and conversation skills. Maximum of 10 people per class. Social program optional. Certificate presented on completion. This just gives you an overview of what is possible, additional courses are also available to suit your requirements.

Students that choose *full board* will have 3 meals per day (breakfast, lunch and dinner) while *half board* provides two meals (breakfast and dinner). Students will have everything necessary in their bedrooms to make them feel at home.
